School Uniform Options

Thank you to the many parents who attended the P&C meeting. One of the items discussed was the need to expand the range of uniform choices for parents. Parents agreed that we need to bring in the option for girls to wear long pants in Summer, together with a long-sleeved polo shirt.

I am meeting with a uniform shop representative at 8am this Friday (7/3/2014) to look at samples of clothes. Parents are most welcome to attend this meeting. I will arrange another meeting with the P&C to endorse a final decision about uniform.

Harmony Day

Harmony Day is officially on Friday 21 March, however, we will be holding our celebrations on Tuesday 18th March. There will be a drumming performance and every child will learn to play a rhythm on a drum. Parents are invited to attend at no cost. Planned activities include:

- children are encouraged to wear something orange
- parents are invited to have a picnic lunch with their children
- the library will be open for tea/ coffee
- the P&C will be running a sausage sizzle.

Further details will available closer to the day. We are all excited and looking forward to the day.
Drivers using the mosque car park
A representative of the mosque across the road from the school has expressed his serious concerns about driver and pedestrian safety. We are all aware of the parking difficulties around the school and there are many other schools with the same problem.

The managers of the mosque make the carpark available to parents as a courtesy and a privilege. Safe and courteous driver behaviour is expected at all times. Children must be closely supervised at all times. Road safety experts suggest that when around traffic parents should hold a child's hand up until the age of 10.

The managers have requested that drivers leaving the carpark turn left only.

Your cooperation with these requests will assist the school in maintaining positive relationships with the community. It would be a shame if the mosque were forced to withdraw access to drivers due to unsafe driving or lack of children's supervision.

Staff News
Congratulations go to Mrs Tyler on the safe arrival of her baby daughter. Born 1st March 2014.
