End of Term

Here we are at the end of Term 2. Everyone I speak to agrees that the term has gone very quickly. There have been some changes over the term in regard to staffing. Unfortunately neither Mr Galea nor Ms Kbayli are able to continue on their respective classes due to health reasons. Both teachers kindly agreed to conduct the parent/teacher interviews and student reports. You may see Mr Galea or Ms Kbayli at school occasionally working in a casual relief position. I thank them both for their contribution and hope they both recover their full health soon.

Replacement teachers for 4/5G and 5/6K are being finalised and a letter will be sent home with the children on the first student day back next term.

Ms Walsh will be commencing maternity leave at the end of the second week next term. The replacement teacher for 3/4W will be finalised soon and you will be informed when this is settled.

Mrs Alifano, after taking 2 terms of long service leave has decided to retire and will not be returning to full time teaching. A formal retirement and celebratory function for Mrs Alifano will be held later in the year. Mrs Alifano has a very caring nature with the children and spent much of her teaching career working on Kindergarten and Year 1. I'm sure you will all join with me in acknowledging the wonderful contribution Mrs Alifano has made to the education of so many students during her teaching career. We hope to see Mrs Alifano back for some casual relief work later this year.
Don’t forget the P&C Movies Night!

Tonight Thursday 26/6/14
Dinner from 5pm. Movie starts 6pm.
All helping hands gratefully accepted.

Working Bee
A working bee will be held on the first Thursday of the school holidays. A separate note is being issued so that you can place it on your refrigerator as a reminder. We had a wonderful contribution by many teachers and parents in the last holidays. Let’s see if we can outdo ourselves in true Belmore North community spirit with the next working bee.

School Uniform
We would love to see every student at Belmore North coming to school in correct uniform every day. Next term we will be having a competition for the best dressed class. An ice-block will be given to each student in the winning class in Week 5 and Week 10. All the students below are wearing correct uniform.

Are you looking for new ideas for lunches?
There are lots of great ideas on schoolatoz.

Kindergarten Enrolments
If you have neighbours, friends or relatives with a child due to start school next year, please remind them to complete an enrolment form as soon as possible. The forms and information are available from our friendly front office staff.

School Canteen
The existing canteen licence expires on 31 November this year. At a recent meeting with community representatives it was agreed that a tender be called for licencing the canteen. Department of Education and Communities personnel have approved the school’s request to advertise for tenders. During Term 3 interested parents and P&C members will form a committee to review the tenders and decide on the winning bid.

Have a safe and happy holiday
I would like to thank the teachers, students, parents and community members for their hard work and support during a busy and successful term.

If you have any questions about uniform please contact the school. If your child repeatedly wears incorrect uniform we will be sending a reminder slip home.
